

Welcome to Year 1
Mrs O'Dwyer and Miss Durrant

Children love to learn by being active, exploring, discovering and taking risks!

We are still a play based environment with adult led activities alongside.

This builds across the year.

Key Skills

- Consolidating recognition of numbers to 20 and beyond.
- Building an understanding of place value.
- Number Bond Quiz starting in the Spring term.
- Encourage children to have a go with their writing and apply their phonic sounds.
- Letter formation
- Common exception words/Tricky words

Reading - Little Wandle

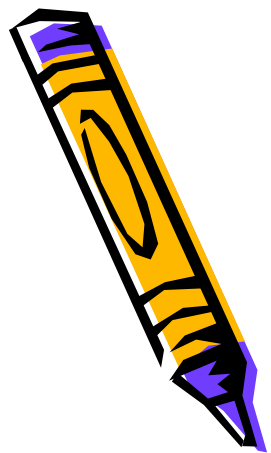

- On Mondays, your child will begin a new book in school. This book will then come home with them on a Wednesday. **Please can this be returned on the following Monday.**
- Your child will know the sounds in the book well and be able to read much of the book fluently. Listen to them read and celebrate their success together! 😊
- Sharing book- this is their choice of a book and something to be read to them at home.
- Please can we ask for your help in taking care of our brand new books. If any books were lost, they would need to be replaced in order to continue using them for our group reading. In this situation we would ask for a contribution towards replacing the book.

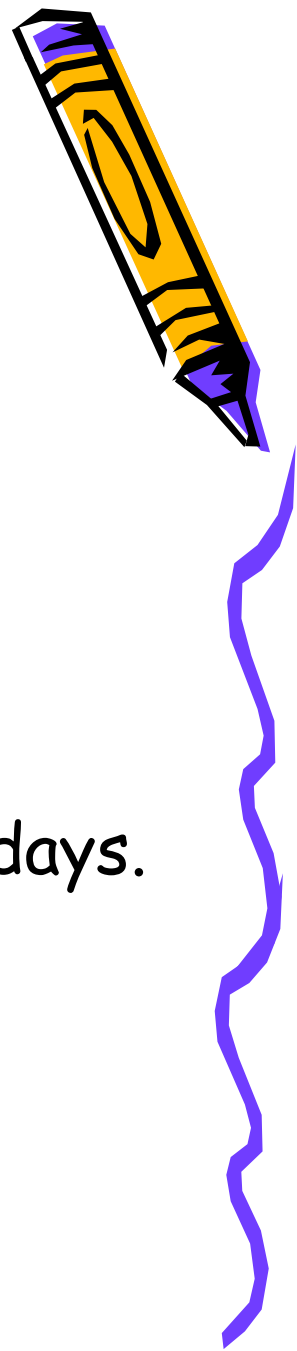

Remember, reading doesn't have to be limited to the school reading book!
