

Geography

In geography we are going to find out about the North and South Pole. Imagine you are going on an adventure to either of these places - what would you need to pack? Tell me the items you would take and explain why they would be important.

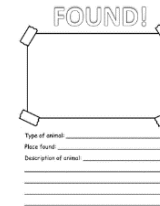

History

In history we are going to be learning about the famous explorer Ernest Shackleton. I would like you to find out about another explorer at any time in history. Who were they? Where did they travel to? Why are they famous?

English

In class we are going to be writing posters to try to find the owner of the penguin from our class book – I would like you to create a poster about another animal that can be found in the North or South pole.

Art & D.T

Our topic this term is all about Antarctica. I would like you to create a piece of art based on this topic. You could create a picture, painting or even a 3d model.

Year 2 Home Learning Menu

Remember to record all of your home learning in your book and you need to return 3 pieces this term 😊

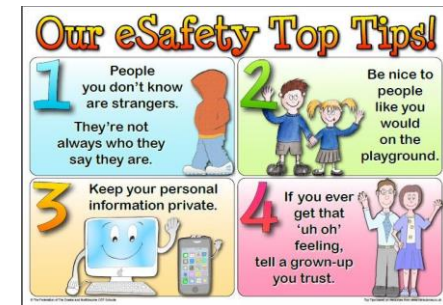

Spelling Shed

PSHE

This term we are going to be learning about staying safe on the internet. I would like you to design a poster to help others learn how to stay safe when they are online.

Music & D.T

In music we are going to be exploring instruments and using them to make our own music. I would like you to make your own instrument at home that you could use as part of our lessons.

FREE CHOICE! Surprise me with something amazing 😊

Science

In science we are going to be learning about healthy eating. I would like you to plan and/or make a healthy meal or snack.
