

Please choose 5-7 tasks to complete this term (you can choose more if you wish).  
Learning logs are collected on a Thursday and returned Friday.

<p>In Science, we are going to be looking at different materials. Can you draw some objects and write what they are made of in your home?</p> 	<p>We will be learning lots of new sounds in phonics! What new sounds can you remember? <b>CHALLENGE:</b> what tricky words can you remember? Can you make up your own alien words?</p>	<p>Do you know of any castles local to us? Can you write a few sentences about that castle?</p> 	<p>What would you like for Christmas? Can you share your Christmas list with us? <b>CHALLENGE:</b> How do you celebrate Christmas?</p>
<p>Can you make a poster about a famous King or Queen?</p> <p>Write some interesting facts about them and we will share them in our lesson!</p>	<h1>Year 1 Learning Log Activities</h1> <h2>Castles and Knights</h2>		<p>In PSHE, we are learning about family and friendships. Can you make a family tree of all your family?</p> 
<p>Can you create your own crown using different materials?</p> 	<p>Can you practice your handwriting? Try really hard to write on the line, and as neat as you can!</p> 	<p>Can you write the number sentences for a fact family? There should be 4 different number sentences, with the same 3 numbers!</p>	<p>In Maths, we are learning about shapes. Can you design your own castles using different shapes? <b>CHALLENGE:</b> can you write what shapes you used?</p>
