

Geography

In geography we will be learning about the North Pole and the South Pole. Imagine you are going on an adventure to one of these places. Write a list of the items you would pack and explain why each item would be important for your journey.

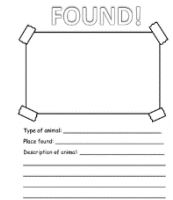

History

In history we are going to be learning about the famous explorer Ernest Shackleton. Find out about another explorer from any time in history. Who the explorer was Where they travelled to Why they are famous You can present your learning in any way you choose.

English

In class, we will be writing posters to try to find the owner of the penguin from our class book. I would like you to create a poster about a different animal that can be found in the North Pole or the South Pole.

Art & D.T

Our topic this term is all about Antarctica. I would like you to create a piece of art based on this topic. You could create a picture, painting or even a 3d model.

Year 2 Home Learning Menu

Remember to record all of your home learning in your book and you need to return 3 pieces this term 😊

PSHE

This term we are going to be learning about staying safe on the internet. I would like you to design a poster to help others learn how to stay safe when they are online.

The links below have some useful information

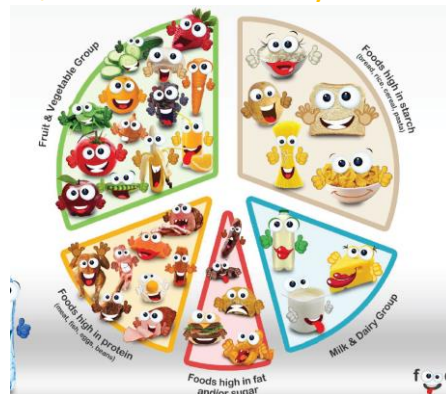

Music & D.T

In music we are going to be exploring instruments and using them to make our own music. I would like you to make your own instrument at home that you could use as part of our lessons.

Science

In science we are going to be learning about healthy eating. I would like you to plan and/or make a healthy meal or snack.

FREE CHOICE! Surprise me with something amazing 😊
