

English

In class, we will be sharing lots of exciting books about space, and we might even meet an alien or two 😊

Your task is to invent your very own alien and write **descriptive sentences** about it.

Think carefully about:

- **What does your alien look like?**
- **How does it behave or act?**
- **Where did it come from?**
- **Any other interesting facts** you can think of!

English

In class, we will be creating a newspaper report based on our class book. For this activity, I would like you to explore the news at home. Look at a **local or national newspaper**, or a news story on the **television or radio**.

Choose a story that **interests you**, then write your own **news report** about it.

It could be written for a **newspaper**, a **television news programme**, or a **radio broadcast**.

Remember to include clear information about **what happened**, **where it happened**, **who was involved**, and **why it is important**.

FREE CHOICE!

Surprise me with something amazing

Art

Create a piece of art work based on your alien. It could be a model, drawing or painting

Year 2 home learning Menu

Remember to record all of your home learning in your book and return at least 4 pieces of work across the term 😊

Remember to use  to learn your times tables
 to practice your spellings and **READ** every day

D.T

In class we are going to be learning about the Moon landing. I would like you to create a model of your own space craft that could take you all the way to the moon!!

Science

In science we are going to be learning about plants. I would like you to try growing a plant at home. Create a diary once the plant starts to grow and describe how it is changing over time.

History

In history, we will be learning about important events in space travel.

Your task is to design an exciting poster that advertises a trip to space. Think about what would make space travel fun and interesting, and use powerful, descriptive words to persuade people to go. Your poster should make anyone who reads it feel excited about visiting space.
