

# Year 3 Home Learning Term 5

These are the tasks we expect you to be completing each week:

You should be spending at least 30 minutes every week on TTRS practising your times tables. Perhaps 10 - 15 mins three times a week would be a good way to start.

## Spelling Shed

Weekly spellings should be learnt at home. You should also be practising some of the words from the key word list each week. You can use Spelling Shed to help with your practice.

In Year 3 you should be reading for 10-15 minutes at least 4 times a week.

Record what you have read in your Contact Book and complete a quiz when you have finished. If your book is not on the AR system, tell an adult in class when you have finished.

These are optional tasks that can be completed throughout the term:

### The Blue Planet

Pick a creature that lives in the deepest part of the ocean. Find out how it is adapted to where it lives. Write some information or create a poster..

Do something that helps you practise measuring mass and capacity. Cooking / baking is a great way to do this.

In the summer term, we will be learning about plants. Plant some seeds and keep a photo diary of their progress.
