

Year 2 Home Learning Term 1

You should be spending 10 minutes, 2-3 times every week on Numbots practising your maths skills.

To do:

Reading to an adult at least 4 times a week. This can be the Little Wandle book or the sharing book.

We are going to be practicing our spelling throughout Year 2, starting with our tricky words!

Practice writing tricky words at home with your grown up to help you remember them! You can write them with whatever and however you like! The list of tricky words is on the back!

To choose (these are optional!)

Our topic is Beside the Seaside

Holidays in the Past

Interview someone in your family, a neighbour or a family friend about the holidays they went on when they were younger.

A shoe box

Using a shoe box to create a model linked to our topic e.g. a seaside in a box, treasure chest or a pirate ship!

Animal Research

Research an animal that you would find at a British seaside.
