

## Year 3 Home Learning Term 1

These are the tasks we are expecting you to be completing each week:

In Year 3 you should be reading for 10-15 minutes at least 4 times a week. Complete a quiz when you have finished. If your book is not on the AR system, tell an adult in class when you have finished.

You should be spending at least 30 minutes every week on TTRS practising your times tables. Perhaps 10-15 minutes three times a week would be a good way to start.

### Spelling Shed

- Practise your weekly spellings at home.
- You should also be practising some words from your key word list each week. You can choose to use spelling shed to help you with your practise.

These are optional tasks that can be completed through the term:

Design an outfit from the Stone Age, Iron Age or Bronze Age. What would their clothes have been made of?

Go on a rock hunt and see if you can find some different types of rocks. Can you work out if they are metamorphic, sedimentary or igneous?

Make a model of a Stone Age, Bronze Age or Iron Age house.
