

Year 5 Home Learning

Term 1

These are the tasks we expect you to be completing each week:

You should be spending 10 minutes at least 4 times every week practising your times tables.

Spelling Shed

Weekly spellings should be learnt at home. You should also be practising some of the words from the key word list each week. You can use Spelling Shed to help with your practice.

In Year 5, you should be reading for 20-30 minutes at least 4 times a week. Record what you have read in your Contact Book and complete a quiz when you have finished. If your book is not on the AR system, tell an adult in class when you have finished it.

These are optional tasks that can be completed throughout the term:

Victorian Food

What did people eat during the Victorian times? How was it different for rich & poor? Can you cook any of the recipes at home? Write a review of what you make!

Time Machine

Design a machine that can travel in time. Choose 5 "times" you would like to visit. The Ancient Egyptians? The dinosaurs? The Moon landing? Can you explain why and say what you would do when you visited each time.

Your **CHOICE**

YOU DECIDE! Wow me by researching / presenting / drawing / painting / making....
