Year 3 Home Learning
Autumn Term 2

These are the tasks we expect you to be completing each week:

You should be spending at least 30 minutes every week on TTRS practising your times tables. Perhaps 10 - 15 mins three times a week would be a good way to start.

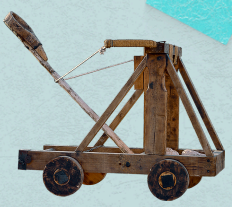

Weekly spellings should be learnt at home. You should also be practising some of the words from the key word list each week. You can use Spelling Shed to help with your practice.

In Year 3 you should be reading for 10-15 minutes at least 4 times a week. Record what you have read in your Contact Book and complete a quiz when you have finished. If your book is not on the AR system, tell an adult in class when you have finished.

These are optional tasks that can be completed throughout the term:

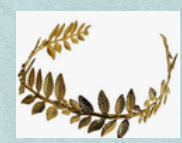

Make a model of a Roman catapult. There are lots of different instructions on the internet that you could use to help you.

Try to find a map of Roman Britain. Find out about some of the names of the towns and cities. What are the name of these places now?

Using a paper plate, green or gold paper, scissors and glue. Create a Roman headress. You may need adult help for this one!
