Year 4
Home Learning
Term 2

These are the tasks we expect you to be completing each week:

Times tables are very important in Year 4. You are expected to practise for at least 10 minutes, 3-4 times a week. Times Tables Rock Stars is a great way to support this, by helping you to improve your quick recall of multiplication facts and also track your progress.

Spelling Shed

Spellings will be given out at the start of term and these should be practised at home ready for the weekly test. You should also be practising some of the words from the key word list each week. Spelling Shed is a fun way to learn them.

In Year 4, you should be reading for 15 mins at least 4 times a week. Once books are completed, children can complete quizzes on Accelerated Reader.

These are optional tasks that can be completed throughout the term:

History

This term we will be learning more about Tudor life.

Try one of the tasks below

- Design an outfit for a rich or poor Tudor
- Draw or create a model of a Tudor house

Science

This term, we will be learning all about electricity!

Have a look around your home and see how many electrical items you can find.

Choose a selection of items and:

- draw and label each of them
- Explain what the item is used for.
- Identify the source of electricity it uses to work.. Does it use batteries or is it powered by mains electricity?

PSHE

In PSHE we are going to be learning how to stay safe online.

Create a poster to show others how to use the internet safety.
